VI. METODOLOGÍA

This course will provide students with many language opportunities to practice English. Personal commitment, and self-study are a must because students will be asked to gradually develop exercises in the online portal (www.cambridgelms.org). Face to face classes will be devoted to production. Students will develop activities that will demand them to actually use what they have learned and practiced online. Attendance to face-to-face classes and working on the online modules in time count for your grade.

Classes will be run as interactive situations in which all students are required to participate. Three-hour sessions will have a break after one hour and a half.

Different activities and exercises are done in class to assess the student's different skills in the language(CD).

There will also be Prácticas Calificadas and exams (mid-term and final) which are the big evaluations in grammar, vocabulary, and use of language.

Plagiarism

Students' academic production is highly valued by UPC. Therefore, various situations that violate academic integrity are detailed in the Disciplinary Regulations, such as plagiarism in research papers, cheating on any kind of assessment, falsifying information, among other cases. In this regard, see the Regulations at:

http://www.upc.edu.pe/RepositorioAPS/0/4/JER/REG_PREGRADO/Reglamento_de_Disciplina_2009-2.pdf.pdf

Students' academic production and honesty are central to university life. We should avoid plagiarism in order to enable a higher education based on original intellectual work.

Participation

Class participation not only means physical attendance but also active participation in class discussion, presentation of assignments on time, and having the class material. Absence from class does not constitute an excuse for not completing assignments. It's the student's responsibility to be prepared for the next class even if absent from the previous class.

According to EPE regulations, attendance is checked at the end of the first class hour. However, this does not prevent class from starting and carrying on all necessary activities on time.

Required materials

Students are required to bring the following to every class:

- Book
- Notebook
- Dictionary
